Product/Texture:	Spatula Stuhhi™ Classico
Project Size:	about 50,000 of Spatula Stuhhi
Architect/G.C.:	Marnell Corrao Associates
Installer:	M&H Specialty

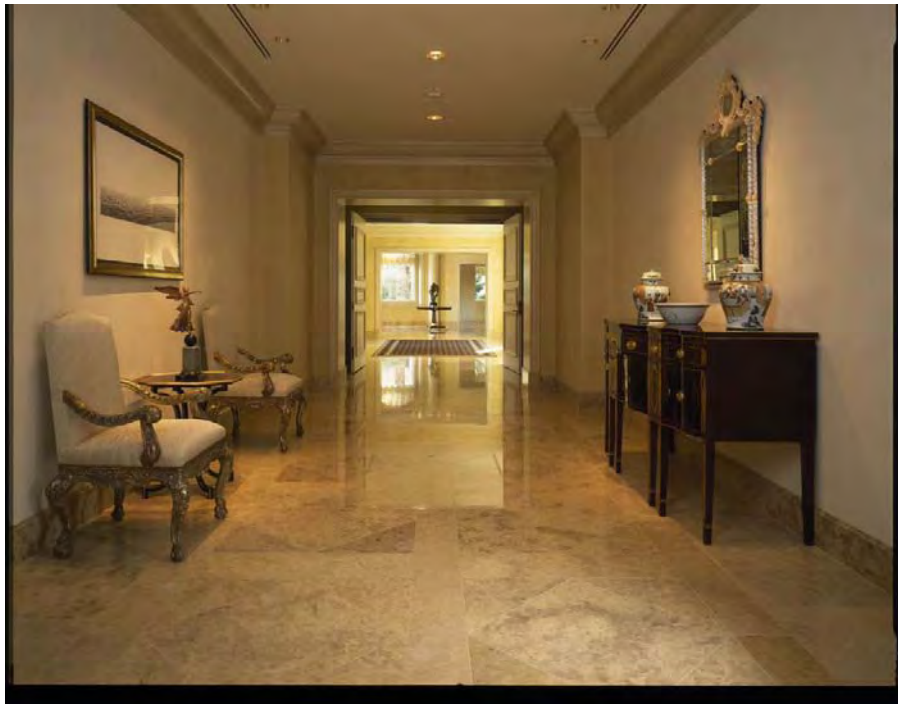

This collection of ultra high end suites caters to “the whales” of Las Vegas. A unique design/build project created by Marnell Corrao. Each suite offers elegance, sophistication and a private retreat from the hustle of Las Vegas for the very rich. The smallest suite is 5000 square feet; the largest is 15,000 square feet; only available to those that will risk at least \$1.0 million per night on the casino tables. Spatula Stuhhi is carried through out all the walls in all suites.
